LOCAL SUBJECTS.

MYSORE DISTRICT.

Subject No. 182.
Permanent supply of water to Doddakere.
Mr. Srinivasa Josier.

Summary of discussion.—Arrangements should be made to give a permanent supply of water to the Doddakere. Benne Haidarhalli feeder should be restored.

Reply of Government.—The best way of feeding it is engaging the serious attention of Government.

Subject No. 183.
A loan for opening out congested parts.
Messrs. M. Anantarajaiya and Srinivasa Josier.

Summary of discussion.—Permission should be given to raise a loan sufficient to open out the congested parts of the town and to give it a complete system of drainage. If the money spent on plague measures were spent on improving the town, much could have been done.

Reply of Government.—If the Municipality will show ways and means for discharging this and previous loans, the matter will be considered. The Plague expenditure has been chiefly for improving the sanitation of the town.

Subject No. 184.
Uninterrupted supply of water to the Capital.
Mr. M. Anantharajaiya.

Summary of discussion.—Arrangements should be made to give the capital an uninterrupted supply of water from the Kaveri Water Works.

Reply of Government.—All that is possible is being done.

Subject No. 185.
Silting up of the Doddakere and Karanji tanks.
Mr. M. Anantharajaiya.

Summary of discussion.—The Karanji and Doddakere tanks should be cleared of silt.

Reply of Government.—Will be considered.

Subject No. 186.
Admission of light and air into every house.
Mr. M. Anantharajaiya.

Summary of discussion.—Arrangements should be made for the admission of light and air into every house.

Reply of Government.—All that is possible is being done. If house-owners put in more windows, there will be more light and air.

Subject No. 187.
Houses to be built on approved plans.
Mr. M. Anantharajaiya.

Summary of discussion.—No license should be given to build a house unless a plan of it answering all sanitary requirements such as basement, ventilation, drainage, latrines, &c., is submitted.

Reply of Government.—The Board can deal with the matter. The Municipal Regulations if properly enforced are sufficient to secure the objects referred to.

Subject No. 188.
Preventing over-crowding.
Mr. M. Anantharajaiya.

Summary of discussion.—Arrangements should be made to prevent over-crowding.

Reply of Government.—This is a question of funds, and the Board will deal with it as far as possible.

Subject No. 189.
Formation of Parks & Topes in the midst of thickly inhabited parts.
Mr. M. Anantharajaiya.

Summary of discussion.—Arrangements should be made to have parks or topes in the midst of thickly inhabited parts, after they are opened out.

Reply of Government.—Noted.
